5. Discuss climate change goals.

The Board continued its discussion from a previous meeting on climate change goals.

Selectman Weston suggested developing an action plan of what can realistically be done and coming up with a date for developing a skeleton plan.

Selectman Matthews-Bull asked about electric cars, as she was concerned about their reliability for the police department usage.

Selectman Weston responded that he has only driven sedans and not SUV's, but they are very reliable, have terrific acceleration, and depending on the model can get 350 to 450 miles a day.

Selectman Hutchins has been researching electric cars and agrees with Selectmen Weston. He has been discussing electric cars with the police chief.

Selectman Matthews-Bull suggested purchasing just one electric car for the police department to try out. The Board agreed.

The Board will continue discussing climate change goals at future meetings.

Motion by Selectman Hutchins, seconded by Selectman Weston, to adopt the climate change goals. **Roll Call Vote:** Briggs, Daggett, Hutchins, Matthews-Bull, and Weston. **Voted:** 5-0. **Motion passed.**

6. Discuss FY2022 budget goals.

The Board's budget goals are as follows:

- Look at solar energy and apply for any grant money. Make sure solar panels can be moved from an old building to a newer building.
- Spend the money on the Wastewater Department projects.
- Have the town manager and treasurer estimate the implications of COVID-19 for the next budget so they can make an informed decision.

Town Manager Laurie Smith will work with Treasurer Jen Lord to come up with a budget forecast model for next year and bring a summary back to the Board.

7. Discuss Short-Term Rental Ordinance.

Chair Daggett explained the ground rules. He said the Board will listen to all comments from the audience first and then respond after it has heard from everyone. Each person will be given up to five minutes to comment. He added that an executive session will start at 7:30 PM.

Heyward Whetsel, Sandra Sherlock-White, Kathy Cop, Colin Cuskley, Peter Milnes, Francisca Sabadie, Kathleen Kaneerum, Wayne Burbank, Paul Hogan, Lisa Miller, Kathy Baker, and others commented or asked questions. Below are some of their comments/questions:

- The new draft is too complex. Make a simple, online registration.

- Establish a comprehensive baseline first.
- Make automatic transfer when it is intrafamily.
- Clarify revocation of license.
- Short-term rental tax revenues should not be overlooked.
- Short-term rentals help homeowners keep their homes.
- Individual property rights are an inherent incident of ownership.
- Short-term rentals are safer for travelers during the pandemic.
- Short-term rentals should not be treated differently than long-term tenancy.
- People have privacy rights and inspections are an intrusion.
- The Town should not limit tourists who are contributing to the economy.
- License limits and renewal of licenses makes it difficult for long timers.
- The Land Use Ordinance does not mention short-term rentals.
- What has brought this to the surface at this time?
- The limits on rental units is ambiguous.
- The plan for fire extinguishers, smoke detectors, and locations is complex.
- Concerned about voting on an ordinance that can be changed.
- Specify evacuation plan.
- Homeowners should be able to rent their homes because sometimes circumstances change and perhaps homeowner may have to relocate for medical reasons.
- Families that inherit a house would like to be able to visit Kennebunkport in their parent's home.
- Many people need the rental income which helps pay for their taxes.
- There will be a lack of tax revenues if people cannot rent out their home.
- Why a cap on rentals?
- Agrees with inspections.
- Why has the maximum rate of licenses issued changed in this new draft so the number of licenses can now be reduced? This line was eliminated "In no event shall the number of annual licenses be less than the number issued in the previous calendar year."
- Realtors say that people who come every year would like to continue.
- Noise rules should apply to all homeowners.
- The Town is undervaluing the amount of money renters bring to local businesses because renters eat out. Local businesses would be negatively impacted.
- It is difficult to regulate.
- The ordinance prohibits advertising.
- Rental managers have guidelines they need to follow for fire extinguishers, radon testing, etc. to make sure rental properties are compliant.
- Rentals must be registered in Augusta.
- Try to gather the data first. Do not think they need a license.
- Anyone who purchases a home will take care of it. Owners will not allow people to be disrespectful.
- The VRBO does self-monitoring.
- Some want to keep their home in the family and could not continue if short-term rentals are not allowed. Short-term rentals should be grandfathered in.

Selectman Weston summarized that there was most interest in: what prompted this ordinance now, transferability, gather data first, and license limitations. His concern was that fewer people live here year around, and people no longer know their neighbors. He said neighborhoods are changing, and it is hard to get young people to move here.

Selectman Matthews Bull questioned why have zoning if short-term rentals are allowed in areas that are zoned residential. She said she noticed many out-of-state people were coming during this pandemic. She also asked what happens to a homeowner's property value when there are short-term rentals nearby.

Selectman Hutchins said he brought this topic forward because they need to get a handle on this to protect the community. Also, there are some people that do not like short-term rentals.

Chair Daggett commented that people should be able to inherit property, and licenses should be transferrable to sons and daughters; houses assessed with licenses do not have higher value; there are safety issues, trash issues, and businesses in residential communities; and they need to keep track of what is going on. He agreed with Selectman Weston's concern that you lose a sense of community when you do not know your neighbors.

Since an executive session followed, the Board was unable to answer all the questions and will respond more at a future meeting.

8. Other Business.

Selectman Matthews-Bull said the Kennebunkport Business Association (KBA) will still have Prelude this year, but it will be safe with less people. She hopes locals will participate. The KBA is starting to decorate now.

Ms. Smith announced that this year there will be a Holiday Trail of Lights in which homeowners and businesses decorate their homes or buildings, and spectators can drive around and vote for their favorite. Each vote costs \$5. The funds will be donated to a not-for-profit partner of the house or business receiving the vote. There is also a \$25 entry fee for businesses and homeowners who want to participate. The deadline for the entry fee is November 23 at the end of the day. There will be two categories of winners—businesses and homes. The grand prize winner will receive an extra \$500 for the organization they select.

9. Approve the November 12, 2020, Treasurer's Warrant.

Motion by Selectman Hutchins, seconded by Selectman Matthews-Bull, to approve the November 12, 2020, Treasurer's Warrant. **Roll Call Vote:** Briggs, Hutchins, Daggett, Matthews-Bull, and Weston. **Voted:** 5-0. **Motion passed.**

10. Executive Session per (MRSA 1, §405-6E) for consultation with Town attorney to discuss legal rights and duties.

Motion by Selectman Matthews-Bull, seconded by Selectman Briggs, to go into executive session per MRSA 1, §405-6E) for consultation with the Town Attorney to discuss legal rights and duties. Selectman Hutchins recused himself. He will not be attending the session **Roll Call Vote:** Briggs, Daggett, Matthews-Bull, and Weston. **Voted:** 4-0. **Motion passed.**

The Board went into executive session at 7:42 PM and came out at 8:34 PM

No action was taken.

11. Adjournment.

Exhibit A – November 12, 2020**Kennebunkport Short-term Rental License/Ordinance****A. Purpose:**

The purpose of this ordinance/license is to require the disclosure and licensing of short-term rentals operated within the Town of Kennebunkport, and to balance the desire of property owners to rent their properties to short-term tenants with the desire of residents to preserve the peaceful quiet and enjoyment of their residential neighborhoods. This Ordinance is intended to ensure that residential neighborhoods are not unduly impacted by the operation of short-term rentals within the Town, and to provide a licensing program that enables the Town to monitor and track the proliferation of short-term rentals within its borders.

Effective Date. [to be determined.] The Short-term rental provisions shall be fully effective as to all contracts for short-term rentals executed on or after 30 days from date of enactment, and shall further apply to all contracts in effect on such date to the extent the application of these provisions would not result in a substantial impairment of such existing contracts

Dear Mr. Ripton,

The Seacoast Garden Club
thanks you very much for your
wonderful presentation of the
town's efforts to preserve the
beautiful Shade Tree Gardens.
It was very interesting to our
members and something we
were not that knowledgeable
about. Protecting our environment
is an important issue of today.

We thank you and the town
again for your efforts.

Sincerely,

Anette Bowler
Corresponding Secretary
Seacoast Garden Club

P.S. Enclosed is a check for \$100
from our club to support the
town's efforts.
