Paul Hogan called the meeting to order at 6:00 p.m. Dan will join the meeting in a few minutes.

Before addressing the first item on the agenda, it was confirmed that all Committees' feedback on the Strategies for the Comprehensive Plan had been reviewed and discussed by the GPC.

Tom and Liz informed us that they were in the process of doing data updates for the plan and that the "By The Numbers" data for Volume 1 next on their list. Liz also mentioned that hyperlinks would be added to the buttons in Vol. 1

The Committee then reviewed subject by subject the text of Volume 1. Suggested edits were discussed and changed where appropriate.

Eli and Werner will work on the Implementation Table to determine the appropriate time frames for the strategies in the plan.

During the week of 5/23 the BOS will review the final assembled CP. It will be sent to Augusta on June 10. After its approval, the State will send it to abutting towns for comment.

Dan thanked Tom and Liz for their invaluable direction on this project and thanked the residents of KPT for their support, input and suggestions. He especially thanked Werner and Eli for organizing and leading the discussion of the Goals, Policies and Strategies section and for focusing on the implementation of these strategies, a key component of an effective Comprehensive Plan.

With no new business to discuss, Dan adjourned the meeting at 7:55 p.m.

Respectfully submitted,
Janet Powell
Secretary to the Growth Planning Committee
